8a	8b	If you select Private, nonprofit in Item 8a, you must select one of the check boxes in Item 8b. If Private, nonprofit is NOT checked in Item 8a, you should NOT answer Item 8b.
9	11b-14b	If you select Yes in Item 9, you must report the amount of MAI funding for each source of funding checked in Item 10 on the corresponding line in Items 11b-14b. If you do NOT select Yes in Item 9, you should NOT enter an amount in Items 11b-14b.
10	11-14	For each source of funding checked in Item 10, the amount of funding expended must be reported in the corresponding line in Items 11-14. If a funding source is NOT checked in Item 10, you should NOT enter an amount in the corresponding line in Items 11-14.
15	33c	If an amount greater than 0 is reported in Item 15, you must check Item 33c, column 2.
16		A response must be selected for each service listed in this item.
17a	17b	If you select Yes in Item 17a, you must select one of the check boxes in Item 17b.
17b	33b	If you check local APA in Item 17b, you must check Item 33b, column 2.
18	74	If you select either Yes in Item 18, you must report clients in Item 74.
20-22		A response is required .

SECTION 2: CLIENT INFORMATION

Items	Checked Against	Requirement
23		A value is required for all four categories in this item.

23	24	Total Unduplicated Clients in Item 23 must be greater than or equal to the Total New Clients in Item 24.
23	25-26, 28-32	Total Unduplicated Clients reported for each HIV status category (HIV-positive/indeterminate or affected) in Item 23 must be equal to Total # of Clients reported in each corresponding HIV status category in Items 25-26 and 28-32.
23	27	Total Unduplicated HIV-positive/indeterminate Clients reported in Item 23 must be equal to the sum of Hispanic and Non-Hispanic HIV-positive/indeterminate Clients reported in Items 27a and 27b. Total Unduplicated HIV-affected Clients reported in Item 23 must be equal to the sum of Hispanic and Non-Hispanic Clients reported in Items 27a and 27b.
23	33	Total Unduplicated Clients (HIV-positive/indeterminate) in Item 23 must be greater than or equal to the Total # of Unduplicated Clients (HIV-positive/indeterminate) reported under each service category in Item 33. Total Unduplicated Clients (HIV-affected) in Item 23 must be greater than or equal to the Total # of Unduplicated Clients (HIV-affected) reported under each service category in Item 33.
23	55-58	Total HIV-positive and HIV-indeterminate Clients in Item 23 must be greater than or equal to Total # of clients reported in Items 55-58.
23	65-70	Total Unduplicated Clients reported for each HIV status category in Item 23 must be greater than or equal to the Total # of clients reported in each corresponding HIV status category in Items 65-70.
24	32	Total New Clients (HIV-positive and indeterminate) in Item 24 must be greater than or equal to the # reported under the category 'Active client, new to program' (HIV-positive/indeterminate) in Item 32. Total New Clients (HIV-negative and Unknown/unreported) in Item 24 must be greater than or equal to the # reported under the category 'Active client, new to program' (HIV-affected) in Item 32.
25	42	Total # of clients reported for each gender category (HIV-positive/indeterminate) in Item 25 must be greater than or equal to the Total # of clients reported for each corresponding gender category in Item 42.
25	56	Total # of clients reported for each gender category (HIV-positive/indeterminate) in Item 25 must be greater than or equal to the Total # of clients reported for each corresponding gender category in Item 56.
25	68	Total # of clients reported for each gender category (HIV-positive/indeterminate and HIV-affected) in Item 25 must be greater than or equal to the Total # of clients reported for each corresponding gender category in Item 68.
26	57	Total # of clients reported for each age category (HIV-positive/indeterminate) in Item 26 must be greater than or equal to the Total # of clients reported for each corresponding age category in Item 57.

26	69	Total # of clients reported for each age category (HIV-positive/indeterminate and HIV-affected) in Item 26 must be greater than or equal to the Total # of clients reported for each corresponding age category in Item 69.
27a	58	Total # of Hispanic clients reported for each race category (HIV-positive/indeterminate) in Item 27a must be greater than or equal to the Total # of Hispanic clients reported for each corresponding race category in Item 58. Total # of Non-Hispanic clients reported for each race category (HIV-positive/indeterminate) in Item 27b must be greater than or equal to the Total # of Non-Hispanic clients reported for each corresponding race category in Item 58.
27	70	Total # of Hispanic clients reported for each race category in Item 27a (HIV-positive/indeterminate) must be greater than or equal to the Total # of Hispanic clients reported for each corresponding race category in Item 70a (HIV-positive/indeterminate). Total # of Non-Hispanic clients reported for each race category in Item 27b (HIV-positive/indeterminate) must be greater than or equal to the Total # of Non-Hispanic clients reported for each corresponding race category in Item 70b (HIV-positive/indeterminate). Total # of Hispanic clients reported for each race category in Item 27a (HIV-affected) must be greater than or equal to the Total # of Hispanic clients reported for each corresponding race category in Item 70a (HIV-affected). Total # of Non-Hispanic clients reported for each race category in Item 27b (HIV-affected) must be greater than or equal to the Total # of Non-Hispanic clients reported for each corresponding race category in Item 70b (HIV-affected).

SECTION 3: SERVICE INFORMATION

Items	Checked Against	Requirement
33		Column 3b may only be checked for # of clients unknown if no # is entered for Total # of unduplicated clients in column 3a.
33		Column 4b may only be checked for # of visits unknown if no # is entered for Total # of visits in column 4a.
33		Total # of HIV-positive visits (column 4a) must be greater than or equal to the Total # of unduplicated HIV-positive clients (column 3a). Total # of HIV-affected visits (column 4a) must be greater than or equal to the Total # of unduplicated HIV-affected clients (column 3a).
33		Total # of HIV-positive visits (column 4a) must be less than or equal to the Total # of unduplicated HIV-positive clients (column 3a) multiplied by 365. Total # of HIV-affected visits (column 4a) must be less than or equal to the Total # of unduplicated HIV-affected clients (column 3a) multiplied by 365.

33	23	Total Unduplicated Clients (HIV-positive) in Item 23 must be greater than or equal to the Total # of Unduplicated Clients (HIV-positive) reported under each service category in Item 33. Total Unduplicated Clients (HIV-affected) in Item 23 must be greater than or equal to the Total # of Unduplicated Clients (HIV-affected) reported under each service category in Item 33.
33a	42	Total Unduplicated Clients in Item 42 must be equal to the Total # of unduplicated HIV-positive clients in Item 33a.
33	64	If column 2 is checked for Item 33a, c, i, j, k, or l, 'Yes, within the EIS program' must be checked for the corresponding service in Item 64 a, e, f, g, k, or l.

SECTION 4: HIV COUNSELING AND TESTING

Items	Checked Against	Requirement
34a	34b	If you select Yes in Item 34a, you must enter a # in Item 34b.
34a	35	If you select Yes in Item 34a, you must respond to Item 35.
35	36	If you select Yes in Item 35, you must enter a # in Item 36.
6,34	36	If you select Scope 01 in Item 6 and Yes in Item 34, you must enter a # in Item 36.
37	38	Total # of individuals tested for HIV antibodies in Item 37 must be greater than or equal to the # of individuals who had a positive test result in Item 38.
37	39	The # of individuals tested for HIV antibodies under each category in Item 37 must be greater than or equal to the # of individuals who received posttest counseling under each corresponding category in Item 39.
38	40	If you report a # in Item 38, you must enter a number in Item 40.
38	40	The # of individuals who had a positive test result in Item 38 must be greater than or equal to the # of individuals who tested positive but did not return for posttest counseling in Item 40.
41a	41b	If you select Yes in Item 41a, you must enter a # in Item 41b. If you select No in Item 41a, you cannot enter a # in Item 41b.

SECTION 5: MEDICAL INFORMATION

Items	Checked Against	Requirement
42	25	Clients reported for each gender category (HIV-positive/indeterminate) in Item 25 must be greater than or equal to the # of HIV-positive clients reported for each gender category in Item 42.
42	33a	Total Unduplicated Clients in Item 42 must be equal to the Total # of unduplicated HIV-positive/indeterminate clients in Item 33a.
43-44	42	Total # of clients reported in Items 43-44 must be equal to the Total # of clients reported in Item 42.
45-50	42	Total # of clients reported in each category in Items 45-50 must be less than or equal to the Total # of clients reported in Item 42.
51	42	Total # of clients on ARVs reported in Item 51 must be equal to the Total # of clients reported in Item 42.
52	42	Total # of clients receiving a pelvic exam/cervical Pap test in Item 52 must be less than or equal to the Total # of Female clients reported in Item 42.
53a	42	Total # of HIV-positive pregnant clients reported in Item 53a must be less than or equal to the Total # of Female clients reported in Item 42.
47a	42	Total # of clients reported in Item 47a must be less than or equal to the Total # of clients reported in Item 42.
47b	47a	Total # of clients reported in Item 47b must be less than or equal to the Total # of clients reported Item 47a. If 0 clients are reported in Item 47a, Item 47b must be left BLANK . If more than 0 clients are reported in Item 47a, a number must be reported in Item 47b, even if it is 0.
47c	47b	Total # of clients reported in Item 47c must be equal to the Total # of clients reported in Item 47b. If 0 clients are reported in Item 47b, Item 47c must be left BLANK . If more than 0 clients are reported in Item 47b, a number must be reported on each line in Item 47c, even if it is 0.
47d	47c	Total # of clients reported in Item 47d must be equal to the Total # of POSITIVE clients reported in 47c. If 0 clients are reported as Positive in Item 47c, Item 47d must be left BLANK . If more than 0 clients are reported as Positive in Item 47c, a number must be reported on each line in Item 47d, even if it is 0.

47e	47d	<p>Total # of clients reported in Item 47e must be equal to the Total # of clients who received Treatment (for LTBI and Active TB) in Item 47d.</p> <p>If 0 clients received Treatment (for LTBI or Active TB) in Item 47d, Item 47e (Completed treatment of LTBI or Active TB) must be left BLANK.</p> <p>If more than 0 clients received Treatment (for LTBI or Active TB) in Item 47d, a number must be reported in Completed treatment (for LTBI or Active TB).</p>
49	31	Total # of clients reported in Item 49 must be less than or equal to Total # of clients (CDC-defined AIDS) in Item 31.
53b	53a	Total # of pregnant clients by trimester in Item 53b must be equal to the Total # of HIV-positive pregnant clients reported in Item 53a.
53c	53a	Total # of pregnant clients who received antiretroviral medications in Item 53c must be less than or equal to the Total # of HIV-positive pregnant clients reported in Item 53a.
53e	53d	The Total # of HIV-positive, -indeterminate, and -negative infants delivered in Item 53e must be equal to the Total # of infants delivered to HIV-positive mothers in Item 53d.

SECTION 6: DEMOGRAPHIC TABLES/PROGRAM-SPECIFIC DATA FOR PARTS C AND D

Items	Checked Against	Requirement
55a	23	Total HIV-positive and HIV-indeterminate clients in Item 53a must be less than or equal to Total HIV-positive and HIV-indeterminate clients in Item 23.
55b	24	Total new HIV-positive/indeterminate clients in Item 55b must be less than or equal to Total new HIV-positive and HIV-indeterminate clients in Item 24.
56	25	Total # of clients reported for each gender category in Item 56 must be less than or equal to Total # of clients reported for each corresponding gender category in Item 25 (HIV-positive/indeterminate).
57	26	Total # of clients reported for each age category in Item 57 must be less than or equal to Total # of clients reported for each corresponding age category in Item 26 (HIV-positive/indeterminate).
58	27	<p>Total # of Hispanic clients reported for each race category in Item 58 must be less than or equal to Total # of Hispanic clients reported for each corresponding race category in Item 27a (HIV-positive/indeterminate).</p> <p>Total # of Non-Hispanic clients reported for each race category in Item 58 must be less than or equal to Total # of Non-Hispanic clients reported for each corresponding race category in Item 27b (HIV-positive/indeterminate).</p>
59	55a	Total HIV-positive and indeterminate clients in Item 55a must be equal to the sum of Hispanic and Non-Hispanic clients reported in Items 59a and 59b.

60	55a	Total HIV-positive and indeterminate clients in Item 55a must be equal to the sum of Hispanic and Non-Hispanic clients reported in Items 60a and 60b.
61	55a	Total HIV-positive and indeterminate clients in Item 55a must be equal to Total clients reported in Item 61.
59	56	Total # of clients reported for each gender category in Item 56 must be equal to the sum of Hispanic and Non-Hispanic clients reported for each corresponding gender category in Items 59a and 59b.
60	56	Total # of clients reported for each gender category in Item 56 must be equal to the sum of Hispanic and Non-Hispanic clients reported for each corresponding gender category in Items 60a and 60b.
61	56	Total # of clients reported for each gender category in Item 56 must be equal to the Total # of clients reported for each corresponding gender category in Item 61.
59	60	The subtotal of Hispanic clients by race and gender in Item 59a must be equal to the subtotal of Hispanic clients by race and gender in Item 60a. The subtotal of Non-Hispanic clients by race and gender in Item 59b must be equal to the subtotal of Non-Hispanic clients by race and gender in Item 60b.
59	61	The subtotal of Hispanic and Non-Hispanic clients by gender and age in Item 59 must be equal to the subtotal of clients by gender and age in Item 61.
60	61	The subtotal of clients by gender and HIV exposure category in Item 61 must be equal to the subtotal of Hispanic and Non-Hispanic clients by gender and HIV exposure category in Items 60a and 60b.
59	57	Total # of clients reported for each age category in Item 57 must be equal to the sum of Hispanic and Non-Hispanic clients reported for each corresponding age category in Items 59a and 59b.
61	57	Total # of clients reported for each age category in Item 57 must be equal to the Total # of clients reported for each corresponding age category in Item 61.
59,60	58	Total # of Hispanic clients reported for each race category in Item 58 must be equal to the Total # of Hispanic clients reported for each corresponding race category in each table in Items 59a and 60a. Total # of Non-Hispanic clients reported for each race category in Item 58 must be equal to the Total # of Non-Hispanic clients reported for each corresponding race category in each table in Items 59b and 60b.
62a	62b-e	The total cost of providing Primary health care services in Item 62a must be greater than or equal to the funding received for the Primary health care program in Items 62b, c, d, and e. The total cost of providing Other program services in Item 62a must be greater than or equal to the funding received for the Other program in Items 62b, c, d, and e.
63a	63b	If you select Yes in Item 63a, you must enter a # in Item 63b.
64	33	If column 2 is checked for Item 33a, c, i, j, k, or l, 'Yes, within the EIS program' must be checked for the corresponding service in Item 64 a, e, f, g, k, or l.
65	55	Total HIV-positive and indeterminate clients reported in Item 55 must be greater than or equal to the # of clients referred outside the EIS program in Item 65.
66	23	Total clients reported for each HIV status category in Item 66 must be less than or equal to the Total # of clients reported in each corresponding HIV status category in Item 23.

67	24	Total new clients reported for each HIV status category in Item 67 must be less than or equal to the Total # of new clients reported in each corresponding HIV status category in Item 24.
68	25	Total # of clients reported for each gender category in Item 68 must be less than or equal to the Total # of clients reported for each corresponding gender category in Item 25.
69	26	Total # of clients reported for each age category in Item 69 must be less than or equal to the Total # of clients reported for each corresponding age category in Item 26.
70	27	Total # of Hispanic clients reported for each race category in Item 70a must be less than or equal to the Total # of Hispanic clients reported for each corresponding race category in Item 27a.
		Total # of Non-Hispanic clients reported for each race category in Item 70b must be less than or equal to the Total # of Non-Hispanic clients reported for each corresponding race category in Item 27b.
71	66	Total Unduplicated Clients reported for each HIV status category in Item 66 must be equal to the Total # of clients reported in each corresponding HIV status category in Item 71.
72	66	Total Unduplicated Clients reported for each HIV status category in Item 66 must be equal to the sum of Hispanic and Non-Hispanic clients reported in each corresponding HIV status category in Items 72a and 72b.
71	68	Total # of clients reported for each gender category in Item 68 must be equal to the Total # of clients reported for each corresponding gender category in Item 71.
71,73	69	Total # of clients reported for each age category in Item 69 must be equal to the Total # of clients reported for each corresponding age category in each table in Item 71 and 73.
72	69	Total # of clients reported for each age category in Item 69 must be equal to the sum of Hispanic and Non-Hispanic clients reported for each corresponding age category in Items 72a and 72b.
72	70	Total # of HIV-positive/indeterminate Hispanic clients reported for each race category in Item 70a must be equal to the Total # of HIV-positive/indeterminate Hispanic clients reported for each corresponding race category in Item 72a.
		Total # of HIV-positive/indeterminate Non-Hispanic clients reported for each race category in Item 70b must be equal to the Total # of HIV-positive/indeterminate Non-Hispanic clients reported for each corresponding race category in Item 72b.
		Total # of HIV-affected Hispanic clients reported for each race category in Item 70a must be equal to the Total # of HIV-affected Hispanic clients reported for each corresponding race category in Item 72a.
		Total # of HIV-affected Non-Hispanic clients reported for each race category in Item 70b must be equal to the Total # of HIV-affected Non-Hispanic clients reported for each corresponding race category in Item 72b.
73	66	Total HIV-positive and HIV-indeterminate clients reported in Item 66 must be equal to the Total # of HIV-positive/indeterminate clients reported in Item 73.

SECTION 7: HEALTH INSURANCE PROGRAM (HIP) INFORMATION

Items	Checked Against	Requirement
75	74	Total Unduplicated Clients in Item 75 must be less than or equal to the Total New Clients in Item 74.
76-77	74	Total # of clients in Items 76-77 must be equal to the Total Unduplicated Clients reported in Item 74.
78	74	Total # of Hispanic and Non-Hispanic clients in Item 78 must be equal to the Total Unduplicated Clients reported in Item 74.
79	74	Total # of clients in EACH CATEGORY in Item 79 must be less than or equal to the Total Unduplicated Clients reported in Item 74.
79	74	Grand Total # of clients for ALL CATEGORIES in Item 79 must be greater than or equal to the Total Unduplicated Clients reported in Item 74.
80	79	Total amount of funding reported in Item 80 must be greater than or equal to Total amount of funding for all categories in Item 79.
81	11-13	Total amount of funding reported for each funding source in Item 81 (Parts A, B, and C) must be less than or equal to Total amount of funding reported for the corresponding funding source in Items 11-13 (Parts A, B, and C).
